

CONSUMPTION CAN BE CURED.

READ THE EVIDENCE.

"Facts are stubborn things," and it is to facts alone that it is desired to direct the attention of the readers of this article.

Many years of severe and thorough practical trial have demonstrated beyond the peradventure of a doubt the fact that the medicines prepared by me, and known as SCHENCK'S MANDRAKE PILLS, SCHENCK'S SEAWEED TONIC, and SCHENCK'S PULMONIC SYRUP, have proved extraordinarily successful in the cure of diseases of the pulmonary organs, or what is usually termed CONSUMPTION.

I am fully aware that there are many persons whose prejudices are holy writ so completely that "proofs strong as Holy Writ" would fail to convince them of the efficacy of my remedies; and that there are others who, under no circumstances, could be prevailed upon to admit their merits, simply because such an admission would prove detrimental to their particular personal interests.

Fortunately for the welfare of mankind, these doubting people form a comparatively small portion of the community at large. They are to be found here and there, but, compared with the great mass of the world's population, their numbers are so small, that I dismiss them as an address myself to those who are willing to listen to the dictates of reason, and who are disposed to admit the strong logic of well-established facts.

We are told almost daily that CONSUMPTION, the scourge of the American people, is incurable; that a man whose lungs are diseased, must be given over to die; that he must abandon hope and that the arrangement of his temporal as well as spiritual affairs should claim his earliest attention. I have seen many cases of this kind, and I have seen many who were not factually as undeniably as they were told that they were incurable, but who, by the use of my medicines, have been cured, and who are now living happily and contentedly.

It was at this gloomy and eventful period of my history that I first learned of the roots and herbs from which my medicines are prepared. I was then a young man, and I was then a student in a law office. I was then a student in a law office, and I was then a student in a law office.

Now, be it remembered, all these wonderful cures were wrought by the use of the medicines I prepare—MANDRAKE PILLS, SEAWEED TONIC, and PULMONIC SYRUP. A cure seemingly so miraculously naturally created astonishment in the minds of those who knew me. It was literally beyond all sides. I had then a daily witness of the efficacy of my medicines, and I was then a student in a law office.

Let the reader remember that these are not mere fanciful statements. They are positive facts, and they are facts of the living evidence. There is an old adage which says, "What has been done may be done." I have been completely cured of consumption by the remedies I now offer to the public. Thousands of others have testified to similar happy results from their use, and thousands of others still might be benefited as I have been could they but be prevailed upon to try the virtue of the Mandrake Pills, Seaweed Tonic, and Pulmonic Syrup.

It is necessary to convince the most skeptical of their merits is a fair trial. I have seen many cases of this kind, and I have seen many who were not factually as undeniably as they were told that they were incurable, but who, by the use of my medicines, have been cured, and who are now living happily and contentedly.

Price of the Pulmonic Syrup and Seaweed Tonic, each \$1.50 per bottle, or \$7.50 a half dozen. Mandrake Pills, 25 cents per box. J. H. SCHENCK, M. D.
